SUMMARY OF BENEFITS
UNREPRESENTED MANAGEMENT 2025-2027

“Catch-up” Provision

Pursuant to federal and state law, employees attaining the minimum age of 47, who are within three (3) years of their planned retirement date, may take advantage of the 457 Deferred Compensation Plan “Catch-up” provisions and allowances as defined in federal and state law. To the extent allowed by federal and state law and the City's deferred compensation plan administrator, the City will allow, during the three (3) years prior to an employee's planned retirement date, the conversion of accrued Sick, Vacation, Sick Leave Conversion, Management, Floating Holiday/Compensatory and Holiday Leave hours to cash contribution at the employee's base rate of pay in effect at the time of conversion. Leave conversion contributions for the “457 Catch-up” shall normally be distributed over an employee's last three (3) years prior to their planned retirement date. However, based on the total amount of “457 catch-up” contributions available to the employee, accumulated Sick Leave hours, and the employee's designated retirement date, “457 Catch-up” contributions may occur over a shorter period of time prior to retirement. To be eligible to participate, the employee must be within three (3) years of their planned retirement date, have “457 catch-up” privileges available to them, be enrolled in the City-sponsored 457 Deferred Compensation Plan.

“Catch-up” – Sick Leave

Employees are not entitled to 100% cash-out of Sick Leave until completion of five (5) years of service with the City as the final employer and either a qualified service or disability retirement. The City will advance employees 47 years of age or older a cash-out of their accrued Sick Leave up to the indexed amount if they choose to utilize the “Catch Up” provision provided through the City's 457 plan.

In the event an employee separates for any reason other than service or disability retirement from the City prior to being eligible to receive 100% Sick Leave pay, said employee will be required to reimburse the excess amount of Sick Leave previously paid out. The reimbursement will be deducted by the City from any or all earned funds available to the employee on separation, without it being necessary for the City to seek a civil judgment for the monies.

In order to participate, the employee will select the amount of Sick Leave they want transferred into deferred compensation at the beginning of each of the three (3) years. The amount can be a selected number of hours or a percentage of Sick Leave remaining at the end of the year. The employee's Sick Leave balance would then decrease commensurately with the amount of funds withdrawn.

The employee will continue to accrue Sick Leave hours at the normal rate while participating in this program.

“Catch-up” hours advanced will be counted towards the employee's Sick Leave bank for the Sick Leave Program calculation.

“Catch-up”– Vacation Leave

To participate, the employee will select the amount of Vacation Leave they want transferred into deferred compensation at the beginning of each of the three (3) years. The amount can be a selected number of hours or a percentage of Vacation Leave remaining at the end of the year. The employee's Vacation Leave balance would then decrease commensurately with the amount of funds withdrawn.

SUMMARY OF BENEFITS
UNREPRESENTED MANAGEMENT 2025-2027

The employee maintaining their Vacation Leave maximum would still be eligible for Vacation Leave incentives, such as Vacation Leave Conversion. The employee will continue to accrue Vacation Leave hours at the normal rate while participating in this program.

“Catch-up”– Other Leave Banks

In order to participate, the employee will select the amount of other leave (this may be Sick Leave Conversion, Management, Floating Holiday, Compensatory Time and/or Holiday Leave) to be transferred into deferred compensation at the beginning of each of the three (3) years. The amount must be a selected number of hours of leave. The employee’s leave balance would then decrease commensurately with the amount of funds withdrawn.

“Age 50+ Catch-up”

In the calendar year an employee reaches age 50 (or older), they may contribute an additional amount over the normal maximum contribution limit (per the IRS limit). The “Age 50 Catch-up” and “Pre-Retirement Catch-up” provisions may not both be used in the same calendar year. Employees may use accrued Sick, Vacation, Management, Floating Holiday, Compensatory Time leave hours to contribute this additional amount.

Defined Contribution Plan - 401(A):

This plan, offered in addition to the existing 457 Deferred Compensation Plan, allows employees to defer additional income (beyond what is allowed in the 457 Plan) as a means of accumulating greater savings for retirement. Participation is voluntary. Employees who elect to enroll in the 401(a) Plan contribute pre-tax contributions in one of the established amounts: 1% - 20% inclusive, 25%, or 100%. The City contributes \$1 per pay period per participating employee. An employee’s election to enroll in the 401(a) Plan is irrevocable. Loans are permitted.

Contributions to the deferred compensation plan will be discontinued while an employee is receiving Workers’ Compensation payments.

Salary continuation effective on the 41st consecutive calendar day of disability will be at a rate of 100% of the employee’s base salary. Effective on the 61st consecutive calendar day of disability, salary continuation will be made at a rate of 66-2/3% of the employee’s base salary.
