## CR-05 - Goals and Outcomes

### **Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)**

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The FY 2024-2025 Consolidated Annual Performance Evaluation Report (CAPER) is the fifth year-end submission of accomplishments pertaining to the FY 2020-2025 Five-Year Consolidated Plan of the City of Chino, which reports accomplishments based on the FY 2024-2025 Annual Action Plan, covering July 1, 2024, through June 30, 2025. State and local governments that directly receive Community Development Block Grant Funds (CDBG) entitlement funds from the Department of Housing and Urban Development (HUD) are required to submit the CAPER ninety (90) days after the end of the program year (due September 28, 2025). Table 1, shown below, illustrates the City's progress in meeting the one-year goals and objectives outlined in the Annual Action Plan, as related to the Five-year Consolidated Plan (Strategic Plan) priorities.

### **Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)**

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

**Table 1 - Accomplishments – Program Year & Strategic Plan to Date**

**Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

During FY 2024-2025, the City received a total of \$512,733 in federal funds from the US Department of Housing and Urban Development (HUD). In addition, \$376,347.65 of prior year unexpended carryover was available. Of the total amount of \$889,080.65 funds available, \$371,381.54 was expended on housing rehabilitation grants, code enforcement, administration, fair housing, and other public services. These funds were used to address the goals and needs established in the Annual Action Plan, as well as the five-year Consolidated Plan priorities established as follows (only high-priority level needs were funded):

1. Provide home improvement grants to owner-occupied housing.
2. Address the needs of homeless families with children, homeless individuals, and chronically homeless persons.
3. Address the decline of deteriorated and deteriorating areas through code enforcement activities in low- and moderate-income neighborhoods.
4. Support infrastructure improvement funding for sidewalks and street lighting.
5. Support economic development funding for business property enhancement and small business development activities.
6. Support public services funding.

**Specifically, the following accomplishments were achieved for each goal as follows:**

1. **Affordable Housing Needs** were addressed through the nine (9) grants provided through Neighborhood Partnership Housing Services, CDBG funded home repair program, and twelve (12) housing units were rehabbed using Affordable Housing and CalHome funds.
2. **Homeless Needs and Public Services** were addressed as follows: Chino Neighborhood House's Food Pantry Program served 1,084 people, House of Ruth's Domestic Violence Program served 21 people, Human Services Family Counseling Program served 50 people, Family Services Association Senior Nutrition Program served 492 people, and Inland Valley Hope served 123 people.
3. **Code enforcement** activities in low- and moderate-income neighborhoods provided multiple inspections, 283 cases were opened and corrected that benefited 283 households low- and moderate-income people living in the target areas. In addition, the **Graffiti Abatement** program removed 8,348 incidents throughout the low- and moderate-income areas, which benefited 16,355 living in those tracts.
4. **Infrastructure improvement needs** were reevaluated through a substantial amendment, which cancelled the Community Garden Project and moved funds to the Alley Project, which will be administered during the next fiscal year.
5. **Inland Mediation Fair Housing Board** served 53 people with fair housing discrimination complaints and 285 with landlord/tenant mediation.

Cumulative accomplishments are shown in Table 1 above, while Figure 1 below illustrates the City's Low and Moderate-Income Target Areas

Asian	216
American Indian or American Native	12
Native Hawaiian or Other Pacific Islander	1
<b>Total</b>	<b>1,986</b>
Hispanic	1,352
Not Hispanic	634

**Table 2 – Table of assistance to racial and ethnic populations by source of funds**

### Narrative

As shown in Table 2 above, 1,986 families were assisted during FY 2024-2025 through the City's various CDBG-funded public service programs. Of these families, the majority were White and Hispanic, followed by Asian, American Indian or American Native, Native Hawaiian or Other Pacific Islander, and Black, which is consistent with the City's overall demographic composition. In addition, the County's Section 8 Housing Choice Voucher Program assisted 202 non-Hispanic and 145 Hispanic households.

## CR-15 - Resources and Investments 91.520(a)

### Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	\$512,733	\$371,381.54

**Table 3 - Resources Made Available**

### Narrative

During FY 2024-2025, the City received an allocation of \$512,733 in federal funds entitlement from the US Department of Housing and Urban Development (HUD). In addition, \$376,347.65 of prior year unexpended carryover was available. Of the total amount of \$889,080.65 funds available, \$371,381.54 was allocated/expended on the following activities:

- \$82,546.00 was allocated to program administration and \$62,390.03 was expended
- \$20,000 was allocated and expended by Inland Mediation to provide fair housing services, along with an additional \$10,000 allocated and expended for Landlord Tenant Mediation
- \$76,910.00 was allocated and \$76,351.26 was expended to public services as follows:
  - \$10,955 was allocated and expended by Neighborhood House
  - \$10,000 was allocated and \$9,494.55 was expended by House of Ruth Domestic Violence
  - \$15,000 was allocated and \$14,989.25 expended by Human Services Family Counseling
  - \$10,955 was allocated and expended by Family Services Association Senior Nutrition
  - \$10,000 was allocated and expended by Inland Valley Hope Partners Homeless Assistance Program
  - \$10,000.00 was allocated and \$9,957.46 expended by the Public Works for Graffiti Abatement
- \$100,000 was allocated and \$86,363.30 was expended on housing activities (Home Improvement Grants) administered by Neighborhood Partnership Housing
- \$60,000 was allocated and \$41,063.85 was expended to provide Code Enforcement
- \$219,256.00 of entitlement and \$298,868.65 of carryover funds was allocated and \$85,213.10 was expended for Alley Improvements
- \$31,500.00 was allocated and zero expended by Economic Development Façade Improvement Program, which is scheduled to be cancelled through a sub-amendment.

As shown in Table 3, the City spent approximately 72 percent of its Entitlement allocation. Next year, the City will administer programs established in its new Consolidated Plan period covering 2025-2030.

**Identify the geographic distribution and location of investments**

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
Area benefit neighborhoods	45	45	Code Enforcement, Graffiti Abatement, Alley and Façade Improvements
City-wide	35	35	Administration, Home Improvement Grants, and Public Services
Deteriorated and deteriorating areas	45	45	Code Enforcement, Graffiti Abatement, Alley and Façade Improvements

**Table 4 – Identify the geographic distribution and location of investments****Narrative**

Table 4 above illustrates the geographic distribution of funds throughout the City. With respect to geographic distribution and location of investment, some of the CDBG-funded programs are targeted geographically such as Code Compliance, Graffiti Abatement, Alley Improvements, and Façade Improvements. These projects are eligible for CDBG funds as an area benefit activity/neighborhood. An area benefit activity is one that is available to benefit all the residents of an area, which is: 1) Primarily residential; 2) Where a minimum of 51% of the population is low- and moderate-income.

HUD recognizes that some cities, such as Chino, have few, if any, areas that have 51% or more low- and moderate-income residents. Therefore, HUD allows such cities to qualify a CDBG-funded area benefit activity based on a lower percentage of low- and moderate-income persons. Specifically, the exception criteria allow a percentage of low- and moderate-income persons that is not lower than that contained in the City's upper one-fourth of all areas within its jurisdiction in terms of degree of concentration of low- and moderate-income population.

In Chino, the exception percentage works out to be 44.96% (changed to 44.96% in 2020), meaning Census Tracts or Block Groups that exceed this percentage qualify as area benefit neighborhoods. All other investments are available citywide to income-eligible persons or households.

## Leveraging

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

Without the authority of redevelopment to generate funds, the City has few resources for public improvements and affordable housing development. Development Services programs are typically funded with general funds and CDBG. During the Program Year, the City obtained funds from other leveraged funding from private and non-federal public sources as follows:

- **CalHome ReUse and Affordable Housing** funds were used to implement the Housing Rehabilitation Program and the Homebuyer Program, which are identified as objectives under the City's Five-Year Consolidated Plan strategies. Approximately 9 loans were issued.
- **Section 8 Rental Assistance and Public Housing** funds were available from the Housing Authority of San Bernardino County to financially assist extremely low- and very low-income families. HASBC provided 347 Housing Choice Section 8 vouchers.

Additionally, the Housing Authority owns and operates the Monte Vista Public Housing community, providing 50 persons/households with affordable single-family units. CDBG funds the Safe Home for Seniors Home Improvement grant program. Other housing support includes CalHome funds for mobile home rehabilitation, as well as the city's continued efforts to seek funding from other potential funding sources.

## CR-20 - Affordable Housing 91.520(b)

**Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.**

	One-Year Goal	Actual

<b>Total</b>	<b>280</b>	<b>368</b>

**Table 6 – Number of Households Supported**

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

During FY 2024-2025, the City exceeded its rental housing and owner rehabilitation goals. The City implemented the following activities that go towards meeting the Affordable Housing priority needs of the Consolidated Plan and help foster and maintain affordable housing:

- **Development Services-Home Improvement Grant Program:** This program provides home improvement grants to low- and moderate-income families to address home repair problems and health and safety issues affecting the quality of life for Chino residents. Eight (8) homes were improved in FY 2024-2025, with \$246,191.93 being expended through Affordable Housing Funds from the former redevelopment agency. An additional \$4,025 of these funds were used to provide grants and address lead-based paint testing. Ten homes were improved in FY 2023-2024 with \$232,532 being expended through Affordable Housing Funds from the former redevelopment agency. An additional

\$5,905 of these funds were used to provide grants and address lead-based paint testing. Nine (9) homes were improved in FY 2022-2023, with \$160,096 being expended through Affordable Housing Funds from the former redevelopment agency. An additional \$3,825 of these funds were used to provide grants and address lead-based paint testing in FY 2022-2023. During the previous year FY 2021-22, (13) thirteen homes were improved, for a cumulative total of 34 homes/households assisted.

- **CalHome Housing Rehabilitation/Homebuyer Assistance Program:** This program provides home improvement loans to low- and moderate-income families to address home repair problems and health and safety issues affecting the quality of life for Chino residents. Approximately \$202,200 of CalHome funds were expended in FY 2024-2025 to assist four (4) households; in 2023-2024, two (2) households received assistance for a total of \$110,600, \$105,800 of CalHome funds were expended in FY 2022-2023 to assist three (3) households; three (3) loans were provided in FY 2021-2022. The City was awarded a \$600,000 CalHome Manufactured Rehabilitation Grant in 2023. The City also continues to utilize CalHome Re-Use Funds through loan payoffs from CalHome loan borrowers. No funds were used for down payment assistance in the last five years.
- **Section 8 Housing Choice / Project Based Voucher Program:** In Chino, the number of families receiving rental assistance under the HUD program in FY 2024-2025 was approximately 347 households. Three hundred -one (301) of these families were assisted through the housing choice voucher program (extremely low income) and forty-seven (46) were through the project-based voucher program (very low income). Additionally, 145 were Hispanic and 202 were non-Hispanic households.

#### **Discuss how these outcomes will impact future annual action plans.**

Based on the City's limited resources, future action plans will continue to focus on utilizing existing funding. In addition, the City has recently increased the amount of grant funds allocated to each homeowner to enhance the scope of repairs available through each rehabilitation programs.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

<b>Number of Households Served</b>	<b>CDBG Actual</b>	<b>HOME Actual</b>
Extremely Low-income	3	0
Low-income	6	0
Moderate-income	0	0
<b>Total</b>	<b>9</b>	<b>0</b>

**Table 7 – Number of Households Served**

## **Narrative Information**

During FY 2024-2025, Neighborhood Partnership Housing Services (NPHS) provided grants to nine (9) owner households (3 extremely low income, 6 very- low income); eight (8) grants were provided in 2023-24 (1 extremely low income, 5 very- low income, and 2 low income); nine (9) grants were provided in FY 2022-23, all of which were low-income households. During FY 2021-2022, NPHS provided ten (10) grants for a cumulative total of 36 Households served to date.

Home rehabilitation services were also funded by the City's Affordable Housing Fund. In FY 2024-25 twelve (12) homes were assisted. In FY 2023-24, ten (10) homes received assistance; in FY 2022-23 nine (9) homes were assisted; five (5) homes in FY 2021-2022 and thirteen (13) in 2020-21 for a cumulative total of 32 owner-occupied housing units rehabilitated.

The City provided rental, utility or motel voucher assistance to 79 households in FY 2024-2025, seventy-six (76) households in FY 2023-24, eighty-six (86) in FY 2022-23, sixty-five (65) households in FY 2021-2022, and twenty-five (25) in FY 2020-2021, as well as (69) rental assistance utilizing CARES-Act Funds for a cumulative total of 400. These combined programs helped foster and maintain affordable housing in addition to the Housing Authority's rental assistance programs that helped 347 households in 2024-2025, 345 in FY 2023-2024, 319 low-income households in FY 2022-23, 307 in FY 2021-2022 and 275 low-income households in FY 2020-2021 for a total of 1,593.

## CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

**Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:**

**Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

The FY 2020-2025 Consolidated Plan established a medium priority for homeless needs in Chino. The City continued its efforts in the prevention of homelessness by supporting the County and its outreach programs, supporting the operation of homeless shelters through CDBG funding, providing CDBG funding for homeless support services, and providing referrals to public assistance programs offered by the County. The intended outcomes are the provision of a Suitable Living Environment (SL) and expansion of Availability/Accessibility (1). The City's Community Services staff attended meetings at the Office of Homeless Services.

To aid in this effort, a Quality-of-Life Team and two Homeless Outreach Coordinators have recently been implemented as a new component of the City's strategy to assist individuals/families who are most at risk. The Quality-of-Life Team and Outreach Coordinators is a collaborative effort between the City of Chino Police Department, non-profit and faith-based organizations, case management staff, and medical/mental health facilities. As Chino Police Officers or Outreach Coordinators encounter homeless individuals, this team intervenes quickly by arranging for emergency shelter, providing medical or mental health resources, counseling, and other interventions needed to enable a holistic approach to meet the needs of this special population. The City also collaborates with faith-based groups, nonprofits, businesses, and community members to effectively address and reduce the homeless population. The team will provide homeless prevention activities to individuals and families at risk of homelessness. The Outreach Coordinators will provide consistent and intensive case management services to individuals living on the streets. Assisting these most vulnerable and service-resistant individuals will result in direct savings to City facilities and staff, law enforcement, paramedics/fire, and businesses, and improve the overall quality of life for the City of Chino. The City also partnered with a few organizations to address the City's homeless issues. The Police Department has formed a team (Quality of Life Team Program), which Community Services staff and PD approach the homeless on the street and counsel them, and provide them with resources for assistance. Community Services staff also partner with the Chino Unified School District (HOPE Program) to provide services needed to homeless students.

**Addressing the emergency shelter and transitional housing needs of homeless persons**

The City of Chino provided funding to public service providers to help mitigate homelessness by serving both the homeless and the at-risk of homelessness populations. During FY 2024-2025, the City provided funding to: Neighborhood House Food Pantry, House of Ruth, Inland Valley Hope Partners, and Human

Services Family Counseling to address the needs of homeless persons and those at-risk of becoming homeless.

The City of Chino, Housing Division, in collaboration with the Community Services Department, continues to assess the needs of the community through outreach and community involvement to identify gaps in services available to the low-income residents.

To address the increased needs in our community, the Housing Division, Development Services Department administers several assistance programs to aid income-eligible residents facing emergency housing or crisis situations. The Emergency Housing Assistance Program (EHAP) provides assistance with security deposits, rental assistance, motel vouchers, and/or emergency utility payment assistance. The goal of the program is to prevent imminent homelessness. The City of Chino works diligently to provide a variety of programs and services to assist homeless persons with information and resources, such as food, clothing, shelter, and applying for CalFresh/CalWorks, and Medi-Cal/Covered California health insurance. The Community Services and Police Departments conduct outreach events in partnership with the San Bernardino County Department of Behavioral Health. The purpose of these outreach events is to contact known homeless individuals and offer assistance. The Police Department has also formed a Homeless Outreach Team (HOT) and Crisis Intervention Team (CIT) to specifically deal with the City's homeless population and those suffering from mental illness.

To aid in this effort, a Quality-of-Life Team and two Homeless Outreach Coordinators were established as a new component of the City's strategy to assist individuals/families who are most at risk. The Quality-of-Life Team and Outreach Coordinators is a collaborative effort between the City of Chino Police Department, non-profit and faith-based organizations, case management staff, and medical/mental health facilities. As Chino Police Officers or Outreach Coordinators encounter homeless individuals, this team intervenes quickly by arranging for emergency shelter, providing medical or mental health resources, counseling, and other interventions needed to enable a holistic approach to meet the needs of this special population. The City also collaborates with faith-based groups, nonprofits, businesses, and community members to effectively address and reduce the homeless population. The team will provide homeless prevention activities to individuals and families at risk of homelessness. The Outreach Coordinators will provide consistent and intensive case management services to individuals living on the streets. Assisting these most vulnerable and service-resistant individuals will result in direct savings to City facilities and staff, law enforcement, paramedics/fire, and businesses, and improve the overall quality of life for the City of Chino.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

The City of Chino does not administer homeless programs directly, but will continue to offer and consider requests from agencies that work with helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) making the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again. To address the increased needs in our community, the Housing Division, Development Services Department, has introduced new assistance programs. The availability of these programs will help income-eligible residents facing emergency housing or crisis situations. The Emergency Housing Assistance Program (EHAP) will provide assistance with security deposit, rental assistance, motel voucher, and/or emergency utility payment assistance. The goal of the program is to prevent imminent homelessness. The City of Chino works diligently to provide a variety of programs and services to assist homeless persons with information and resources, such as food, clothing, shelter, and applying for CalFresh/CalWorks, and Medi-Cal/Covered California health insurance. The Community Services and Police Departments have conducted outreach events in partnership with the San Bernardino County Department of Behavioral Health. The purpose of these outreach events is to contact known homeless individuals and offer assistance. The Police Department has also formed a Homeless Outreach Team (HOT) and Crisis Intervention Team (CIT) to specifically deal with the City's homeless population and those suffering from mental illness.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

The most recent homeless count for the City of Chino was thirty-one (31) (Source: San Bernardino County 2025 Homeless Count and Survey Report). Collaborative efforts in the County include the following:

- Develop a multi-jurisdictional strategic plan that will be initiated and implemented by the County of San Bernardino, cities, and the San Bernardino County Continuum of Care (CoC).
- Encourage each city to adopt its unsheltered homeless count numbers as baseline numbers.
- Increase the Number of Permanent Supportive Housing Units.
- Set an annual quantifiable number of permanent supportive housing units to be developed based on the number of unsheltered chronically homeless individuals identified in the recent Point-in-Time homeless count, Homeless Management Information System (HMIS), and Coordinated Entry System (CES).
- Prioritize through the Coordinated Entry System the most vulnerable and frail persons who are languishing on the streets, including those with life-threatening health conditions and/or who are aging on the streets.

- Completely align with a Housing First model and low-barrier approach for chronically homeless individuals and families consistent with federal, state, and local approaches.
- Completely align with a rapid rehousing and low-barrier approach for non-chronically homeless individuals and families.
- Align the current homeless services delivery system with a goal of ending homelessness among unaccompanied women.
- Increase Rapid Rehousing Assistance.

The City will continue to coordinate with the County and local cities to enhance collaborative efforts to minimize the effects of homelessness.

## CR-30 - Public Housing 91.220(h); 91.320(j)

### Actions taken to address the needs of public housing

The one public housing project that exists in Chino is the 50-unit Monte Vista complex is owned and operated by the Housing Authority of San Bernardino County. The bedroom distribution is:

- 8 1-bedroom units
- 18 2-bedroom units
- 24 3-bedroom units

In 2010, the HACSB expended approximately \$5.1 million in American Recovery and Reinvestment Act (ARRA) grant funding to upgrade four housing developments in the cities of Chino, Colton, Redlands, and San Bernardino. The Housing Authority of the County of San Bernardino Resident Services Program connects residents and participants to services and activities that encourage self-sufficiency and support a mission of enhancing the quality of life in the community. The Housing Authority provides the following supplemental programs to residents:

- **Family Self-Sufficiency Program:** Coordinates housing assistance with public and private resources to enable families to achieve economic self-sufficiency.
- **After School Programs:** Various providers offer teen mentoring, self-esteem building, homework help, and job training classes.
- **College Scholarships:** An annual college scholarship award program is offered for students enrolled in higher education classes.
- **Homeownership Assistance Program:** Helps qualifying families to become homeowners.
- **Self-Sufficiency Workshops:** Offer budget management, counseling, and a wide array of workshops to help families achieve self-sufficiency.
- **Broadband Technologies Opportunities Program (BTOP):** Provides access to technology, career, education, and job counseling for all community members.

The HACSB seeks to maintain the number of extremely low- and very low-income families that will receive rental assistance under the provisions of the HCV Program. In Chino, the number of families receiving rental assistance under the HUD program on average is approximately 347 households. The number of assisted families fluctuates, not only due to funding availability, but also as families move in or out of the city. In FY 2024-2025, 347 vouchers were issued, 2023-2024- 345, FY 2022-2023- 319, FY 2021-2022- 307, and in FY 2020-2021, 225 vouchers were issued.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

HACSB's Homeownership Assistance Program helps qualifying families to become homeowners. In addition, the City partners with Neighborhood Partnership Housing Services (NPHS), who promote homeownership workshops, financial/budget management, credit repair, and a wealth of other valuable housing program opportunities and resources.

### **Actions taken to provide assistance to troubled PHAs**

The Housing Authority of the County of San Bernardino administers the HCV program on behalf of the City of Chino. In 2008, HACSB was designated as a Move to Work (MTW) Agency by HUD, which exempts the agency from Public Housing Assessment Systems (PHAs) and Section 8 Management Assessment Program (SEMAP) evaluation and scoring. Regardless of being exempt from PHAs and SEMAP evaluation and scoring, HACSB continues to meet the "High Performer" standards.

## CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

The 2021-2029 Housing Element identifies barriers/constraints in regard to the lack of certain zoning provisions, permit processing, and fee impacts on the cost of housing. The City continues to work on the following Housing Element recommendations:

The City of Chino 2021-2029 Housing Element was adopted in March of 2023. The following strategies will be monitored and updated as applicable on a continuous basis:

- Evaluate the City's Zoning Ordinance during annual updates to determine whether additional amendments are necessary to accommodate affordable and special needs housing.
- Evaluate and improve the one-stop processing system in an effort to provide quick project entitlement processing.
- Offer priority processing of affordable and special needs housing applications.
- Consider fee deferrals for affordable and special needs housing on a case-by- case basis, if requested by the project owner/developer.
- Work to identify a new funding source to finance fee waivers for affordable and special needs housing.
- Pursue funding for infrastructure improvements needed to support affordable and special needs housing.

### **Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

Underserved needs include long-term rental assistance for lower-income households that are cost-burdened. The primary obstacle to meeting this need is limited funding/resources. The Section 8 rental assistance available from HUD and the Housing Authority of the County of San Bernardino (HACSB) is limited. Federal budget cutbacks have decreased the amount of funding allocated to the Section 8 Housing Choice Voucher Program, and the City is unable to sustain such a program.

The primary obstacle to meeting all of the identified needs, including those identified as priority, is the lack of funding available to the public and private agencies who serve the needs of low- and moderate-income residents. Underserved needs cannot be satisfied entirely with CDBG funds. However, over time, some of these needs can be addressed with CDBG as well as other resources. Ongoing efforts to address obstacles to meeting underserved needs may include the following:

- Obtain data from the HACSB on the number of Section 8 households assisted by race, ethnicity, age, and disability status. The City can then compare who is being served to the demographic

characteristics of the community. In this way, the City will be able to estimate more precisely underserved populations.

- The City will encourage and support the efforts of HASBC to seek additional Section 8 Housing Choice Vouchers. The City recognizes that this may be difficult due to the Federal budget cutbacks that impacted all housing and community development programs.
- The City will encourage and support the efforts of non-profit housing development corporations to seek funding from federal, state, and local sources for special needs housing in relation to projects that are consistent with the City's Consolidated, General, and Housing Element Plans.

Additionally, the City continues to maximize its resources by networking with other county, local, and non-profit organizations to overcome common obstacles. The City of Chino has continuously assisted with business expansion, infill housing projects, and expansion of public service programs to close the gaps identified, through the coordination of community outreach, job training, accessibility to food and utility assistance, and low-cost or no-cost childcare services.

#### **Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

To reduce lead in existing housing, and in order to prevent possible exposure to lead in City rehabilitation projects, Chino adheres to HUD guidelines for lead-safe work practices in all rehabilitation and minor home repair projects funded with CDBG and/or non-federal funds. During the program year, nine homes were improved with the use of non-CDBG funds.

#### **Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

Although the City set goals to reduce poverty, it is an exceedingly challenging goal to meet. The loss of jobs and wage stagnation have caused an increase in poverty throughout San Bernardino County. In order to contribute to a reduction of poverty-income level families, the City continues to support the Section 8 Housing Choice Voucher Program. The City worked with the Housing Authority of the County of San Bernardino to increase the number of households that obtain rental assistance. In addition, the City aims to aid in the prevention of poverty through the case management services including valuable resources and emergency assistance programs such as rental assistance, hotel vouchers, utility payment assistance, childcare resources, job training, budget management and counseling to help struggling working families meet their financial obligations and find growth opportunities.

#### **Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

The Development Services Department continues to maintain and strengthen the existing structure for the delivery of programs and services funded by CDBG. The Department coordinates with the Departments responsible for administering a CDBG-funded activity: Development Services, Community Services, and Public Works, as well as funded public service agencies. The City also developed the institutional structure for the delivery of housing assistance by the County of San Bernardino Housing

Authority. The Housing Authority assists local residents through the Section 8 Housing Choice Voucher Program that operates 50 public housing units located in Chino.

**Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

The City enhanced the delivery of housing assistance to Chino residents by working with the local Housing Authority Office to obtain information on: Geographic distribution/ concentration of Section 8 assisted housing units; number of families enrolled in the Family Self-Sufficiency Program (FSS); number of graduates from the FSS program; plans for maintenance and modernization of public housing units; and admission preferences for local residents. The City has hired two full-time Homeless Outreach Case Managers who provide intensive homeless intervention services. They address homelessness in the City of Chino through intensive field case management in addition to the services and programs the City provides. The City works diligently to provide a variety of programs and services to assist homeless persons with information and resources, such as food, clothing, shelter, and applying for CalFresh/CalWorks, and Medi-Cal/Covered California health insurance. The Community Services and Police Departments have conducted outreach events in partnership with the San Bernardino County Department of Behavioral Health. The purpose of these outreach events is to contact known homeless individuals and offer assistance. The Police Department has also formed a Homeless Outreach Team (HOT) and Crisis Intervention Team (CIT) to specifically deal with the City's homeless population and those suffering from mental illness.

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

The Code of Federal Regulations (CFR) governing the CDBG Program requires that entitlement cities identify impediments to providing fair housing choice within their jurisdiction (CFR 570.904 [c][1]). Fair housing choice means: the ability of persons of similar income levels, regardless of race, color, religion, sex, national origin, disabilities, and familial status, to have available to them the same housing choices. In 2020, the City updated the Analysis of Impediments to Fair Housing Choice. The following impediments were identified and outline the City's commitment to actions for addressing impediments to fair housing for the upcoming 2025-2030 planning period.

**Actions Carried Forward from Last AI**

**1. Preserving and Expanding Affordable Housing Opportunities**

Homeownership Assistance

Impediment: Low-income households have difficulty achieving homeownership due to high prices and access to financing. Hispanic households are disproportionately impacted by low income and significantly underrepresented in the mortgage lending activities.

Action: The City can provide affordable homeownership through development agreements. For example, developers of the Artisan project, College Park Specific Plan, and The Preserve Specific Plan have agreed to set aside a portion of the units as housing affordable to lower-and moderate-income households through rental and ownership housing. The City will continue to seek, identify and secure new funding resources to continue the implementation of its homebuyer assistance programs.

#### Rehabilitation Assistance

Impediment: Access to home improvement financing is limited.

Action: The City will continue to provide rehabilitation assistance to income-qualified homeowners through the Home Improvement Deferred Loan and CalHome Mobile Home Improvement Grant programs as well as seek new funding opportunities.

#### Affordable Housing Development

Impediment: Affordable housing opportunities in the City are limited. Seniors, the disabled, large households, and Hispanic households are disproportionately impacted by low income.

Action: The City will facilitate the development and preservation of quality affordable housing, as well as the provision of housing assistance. Specifically, the City will pursue various opportunities, including but not limited to the following:

- Acquisition/rehabilitation/conversion of market-rate rental housing into affordable housing;
- Infill housing development;
- Abatement of dangerous properties (such as abandoned or boarded up buildings) that threaten public health and safety;
- Gap financing of affordable housing development; and
- Provision of homebuyer and rehabilitation assistance.

The City will emphasize the development of affordable rental housing for extremely low, very low, and low-income households, affordable ownership housing for low- and moderate-income households, and housing for persons with special needs (such as persons with disabilities, including persons with developmental disabilities). The City is currently in the process of rehabilitating a City-owned property to provide an affordable housing rental unit to a low-moderate income household.

## **2. Education and Outreach**

### **Information and Brochures**

Impediment: Seniors, the disabled, large households, and Hispanic households are disproportionately impacted by low income. Market-rate housing is rarely affordable to lower-income households.

Affordable housing opportunities and supportive services are available to Chino residents through public agencies and nonprofit organizations.

Action: The City will provide brochures and information on homeownership assistance and rental assistance at the public counter, library, senior center, and on the City's website. Information will be provided in both English and Spanish.

Action: The City will encourage workshops to be held in Chino by local lending institutions and the Inland Fair Housing and Mediation Board (IFHMB) regarding the home loan process, credit counseling, and resources available to low- and moderate-income homebuyers. These workshops will be held in both English and Spanish.

### **3. Fair Housing Services**

#### **Fair Housing Program**

Impediment: The most frequent bases of fair housing complaints in Chino are disability and race. Furthermore, based on the review of for-rent and for-sale listings conducted for this AI, discriminatory language is used in a portion of the listings. Such listings typically emphasize the preference for families. Further outreach and education on fair housing rights and responsibilities should be continued.

Action: IFHMB will continue conducting fair housing workshops for residents, real estate professionals, apartment owners, and property managers. Specific efforts should be made to expand community participation in these workshops, including a greater awareness among property owners and managers.

Action: The City will continue to require an affirmative marketing plan as a condition of approval for all subdivisions and as a condition of a business license issuance for apartments. Apartment managers are required to provide evidence of training in fair housing and landlord/tenant laws as conditions for the issuance of a business permit for rental properties.

#### **New Impediments and Actions**

The following is a list of new impediments identified in the 2020 AI update and key actions to address these impediments. Access to Financing: Disparate Lending Patterns

Impediment: In reviewing the Home Mortgage Disclosure Act (HMDA) data, several issues in lending patterns with potential fair housing implications were identified:

Disparate Representation in Applicant Pool: Hispanic applicants were significantly underrepresented in the applicant pools in the City during 2011.

**Lenders with Noticeably Disparate Approval Rates:** Among the top ten lenders in 2011, Flagstar Bank and Provident Savings Bank had significantly higher approval rates and Ally Bank and U.S. Bank had substantially lower approval rates.

**Noticeably High Fallout Rates by Race/Ethnicity:** Low-income Hispanic applicants had a substantially higher percentage of withdrawn/incomplete applications compared to other racial/ethnic groups in 2011.

**Minority Applicants and Smaller Financial Institutions:** Some financial institutions appeared to be more popular among certain racial/ethnic groups. Hispanic applicants in the City were much more likely to apply for loans at smaller, less established financial institutions. In 2011, Hispanic applicants made up about 27.7 percent of the applicant pool for all lenders. However, Provident Savings Bank (36.8 percent) and Prospect Mortgage, LLC (35.0 percent) had substantially higher proportions of Hispanic applicants. Similarly, the top five lenders for Asian loan applicants in Chino were all lesser-known financial institutions. Asians represented approximately 29.9 percent of the total applicant pool for all lenders in 2011. However, Asians comprised the vast majority of the applicant pool for PMC Bancorp (71.4 percent) and Flagstar Bank (46.0 percent).

**Subprime Lending Discrepancies by Race/Ethnicity:** Although the incidence of loans with reported spread decreased overall since 2007, Black applicants continue to be more likely to receive subprime loans than any other race/ethnic group.

**Loans Purchased:** Loan originators can minimize their risk by selling off the mortgage loans to investors. This practice has resulted in the mortgage crisis in the recent past. In 2011, Hispanic applicants were the most likely to have their government-backed home loans purchased by investors in the secondary market.

**Action:** The City, through its fair housing service provider, may include the monitoring of lending practices as part of the fair housing program scope of services. The City will also continue to provide information on financial literacy, foreclosure prevention services, and homebuyer education for residents. Finally, the City will continue to coordinate with local lenders to expand outreach activities with the goal of diversifying the lenders applicant profiles.

## **Advertising**

**Impediment:** Both for-rent and for-sale listings on the internet show uses of potentially discriminatory language.

**Action:** The City, through its fair housing service provider, may consider increasing outreach and education to property owners, management companies, and real estate offices regarding appropriate language in advertising. Include local newspapers and outreach to internet listing sites regarding fair housing workshops and services available.

The City contracts with the Inland Fair Housing and Mediation Board (IFHMB) for the provision of fair housing and tenant/landlord counseling services in an effort to overcome the effects of the impediments identified.

## CR-40 - Monitoring 91.220 and 91.230

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

The City of Chino Development Services Department required all sub-recipients under the CDBG program to submit a quarterly grantee performance report, documenting the number, income, race/ethnicity, and household characteristics of the persons/households assisted. In addition, the Department conducted annual site visits to subrecipients to ensure the quality and location of services, and the targeted beneficiaries are consistent with CDBG program guidelines, as well as the contracted scope of services specified in the sub-recipient agreements.

All the programs were monitored and received an excellent rating. All subrecipients have a good understanding of the CDBG requirements. The City pursued all resources and did not hinder Consolidated Plan implementation by action or willful inaction. All efforts were made to implement quality programs and complete projects within estimated time frames.

The City did not receive any requests to provide Certification of Consistency with its Consolidated Plan during the program year.

### **Citizen Participation Plan 91.105(d); 91.115(d)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

The Draft CAPER report was available for a 15-day public review and comment period starting September 1, 2025 – September 15, 2025, which was public noticed in the Chino Champion on August 30, 2025. The Draft CAPER was available for public review at two locations:

- City of Chino City Hall, 13220 Central Avenue, Chino
- City's website:  
[https://www.cityofchino.org/city\\_hall/departments/community\\_development/cdbg](https://www.cityofchino.org/city_hall/departments/community_development/cdbg)

Comments from the public are addressed and included in the final CAPER document submitted to HUD.

No public comments were received, and the document was brought before the City Council on September 16, 2025.

## CR-45 - CDBG 91.520(c)

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

The City made significant progress in meeting the quantified objectives established for Program Year 2024-2025. During the last fiscal year, the City made a substantial amendment in April 2024 to the FY 2024-2025 Annual Action Plan for the Community Development Block Grant (CDBG) Program to reallocate funds from FY 2024-2052 in the amount of \$298,868.65 to the Alley Improvement Project. This project will benefit 6,810 people living in the low- and moderate-income Census tracts, as well as 2,238 people living with limited abilities.

The City previously made a substantial amendment to the FY 2022-2023 Annual Action Plan for the Community Development Block Grant (CDBG) Program to appropriate \$549,597.94 to Monte Vista Park Project for project completion.

**Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?**

No

**[BEDI grantees] Describe accomplishments and program outcomes during the last year.**

2022	During the first quarter the Economic Development Department researched existing program provided in surrounding areas. We began revising our existing plan to make it more comprehensive and effective. We created program information for outreach and advertising but had to wait to distribute due to the lack of staffing changes/issues to administer the program. Due to staffing challenges, we had delays in the start of the program. During the second quarter we continued to experience staffing issues with many staffing changes going on citywide which prevented Economic Development from implementing the program. We continued to work on the program plan and details, although did not start any projects. During the third quarter we completed an online portal for applicants. We decided to start the program as an invite only, to reach out to local businesses having code issues that need immediate attention. During the fourth quarter we have continued to reach out to local businesses with code violations that need assistance to make corrections or update the business exterior. We have given out a few applications and are currently waiting to receive them back from the businesses to determine eligibility. We also determined we needed to revise the application and guidelines to be clearer for the applicants. We plan on starting a few projects the first quarter of the next program year 2023-24. This project will remain open and funds to be expended next program year.

2023	During the 1st quarter staff was working on developing the program, revising guidelines, program application, and contract agreements. During the second quarter staff worked on making applications available online with a link to apply. The link is given to local businesses by invite only, those who require facade improvements within the city's low-mod areas, specifically those with code violations and do not have the funds to make the improvements. During the program year 2023-2024, Economic Development has continued to experience staffing challenges. Staff has been working to hire an Economic Development Manager to administer this project. Economic Development plans on prioritizing this activity in 2024-2025.	
2024	Progress to date includes a completed draft of the proposed Business Facade Program. This draft includes all materials needed to launch a successful program. The following components are included in the completed draft. Program description, program application, contract templates, link to a specially created webpage for the program informational material with graphics and QR code for easy access to application, boundary map, and a press release. Various factors have contributed to the delay of the Business Facade Program. Primarily the staff person initially assigned to the development of the program transitioned to a new job elsewhere leaving an incomplete draft. This change caused a great delay in program development for nearly one year. As new staff were hired, the onboarding process was prioritized as necessary. Staff were able to redesign the program and complete the draft as stated above. High workload and staff shortages have also played a substantial role in the delay. The program has not been promoted publicly as provided in the reasons above. However, we have developed draft materials. A finalized program will also include individual business outreach. With the City of Chino currently not meeting their timeliness percentages, the city is currently looking into cancelling this program and reallocating the funds to a program that will make use of the funds within this fiscal year.

2023	House of Ruth did not have activity in this program in the first two quarters of the fiscal year. House of Ruth have had struggles recruiting and retaining staff across the agency and specifically with this initiative. We have now hired the position outlined in our application and have begun efforts with housing retention and data management. We will have expenses to report for the third quarter. During the third quarter House of Ruth provided assistance to 6 Chino residents. House of Ruth is in the process of hiring two housing case managers to assist with client housing issues. House of Ruth is also in the process of recruiting two Family law Attorneys to meet the crucial demand for legal representation that survivors require. We are thrilled to enhance our array of services and look forward to the positive impact these additions will bring. In February, our prevention team held our annual Awareness through Art showcase in which teens from local high schools are invited to showcase their creativity while educating on healthy relationships and teen dating violence. March saw the reopening of our outreach building following the accident last year, which damaged the building. An open house and ribbon cutting was held for the re-opening of the building. During the 4th Quarter 1 Chino resident was assisted with a DV issue. HOR has experienced significant transitions, including the departure of our lead clinical therapist. We are actively recruiting new therapists. This has been challenging for our team. House of Ruth continues to collaborate with multiple agencies for resources.

2023	During the 1st and 2nd quarters of this program year Public Works had staffing changes which put this project on hold for the first and second quarters. There were other projects prioritized which delayed this project to commence. During the 3rd quarter project research and preparation of a scope of work occurred. Research of the alley's condition, city staff informed local residents of the upcoming design and construction of the alley segment. During the 4th quarter the project was advertised and a request for a designer was requested. No expenditures were used during this program year. The project is scheduled to officially begin the 1st quarter of 2024-25 program year.

2024	<p>During the first and second quarter of 2024-25 this project has been in the design and planning phase. The City Engineer requested a change in scope to the agreement. City Staff is amending and presenting the contract to City Council in January 2025. The amendment to the contract has caused a delay to the design schedule. An updated design schedule shall be finalized once the agreement is amended and presented to the City Council. During the third quarter, on April 1st Council approved a substantial amendment, which was also submitted to HUD to transfer additional funds into this project. The transfer of funds allows public works to increase the scope of the remaining portion of the alley. Once the design phase is completed, we will begin the construction process. The City's designer has submitted plans for 1st round of reviews for the initial scope of work to amend the design contract to increase by an additional \$46,198. Thus, increasing the design total to \$98,846.10. The design portion should be completed by September and the Construction phase should begin in October 2025.</p>

2024	During the first quarter 25 Chino residents were offered counseling services. In addition to counseling services, Human Services staff provide referrals to clients to local resources like food, shelter, healthy living, childcare and other agencies that can provide drug and alcohol counseling, as well as referrals to licensed mental health professionals. Chino Human Services continues to see an increase in the number of individuals seeking mental health services. During this quarter many new volunteer counselors joined the team and have become familiar with the process of offering CDBG opportunities. Counselors will continue to inform clients and encourage them to apply for the counseling program. During this quarter, the Human Services Program was able to meet with all school-site administrators to discuss the school-based and Family Counseling Programs. Additionally, the City's social media channels featured posts highlighting Counseling Programs. During the second quarter and additional 12 residents were given counseling services. In December, many of the volunteer Counselors completed their internship with the program. Human Services connect clients with valuable local resources, including food, shelter, housing, childcare, and specialized agencies for drug and alcohol counseling. During the third quarter counseling services were provided to 4 new clients. In addition to counseling services, Human Services staff provide referrals to clients to local resources like food, shelter, healthy living, childcare and other agencies that can provide drug and alcohol counseling as well as referrals to licensed Mental health professionals. During the fourth quarter, 9 Chino residents were provided counseling services as well as referrals to other services as needed. In addition to counseling services Human Services provides referrals to local resources like food, shelter, healthy living, childcare and other agencies that can provide drug and alcohol counseling. The Chino community continues to have access to the Family Counseling information via the City of Chino website, Chino Human Services flyers and brochures, the Chino Connection and social media reels on Instagram/Facebook. The City of Chino Human Services interviewed and successfully recruited 12 new trainees to start in the 2026 Fall who will be fully trained in the CDBG counseling program and process providing more support for the counseling program.

2024	During the first quarter of PY 24-25, House of Ruth assisted 7 Chino residents. An increasing number of potential clients have been reaching out for assistance. Clients are requesting help with food, personal care support and financial assistance for housing. The Housing Navigator is actively engaging with landlord advocacy. Staff are working to ensure clients can remain in their current units or, when necessary, facilitate the release of clients from lease agreements to assist with relocation to new apartments. Clients have also been reaching out to staff regarding challenges related to managing full rent payments independently. During the second quarter ten Chino residents were assisted. One family received a shelter. During the third quarter, one Chino resident was assisted. During the third quarter, 1 Chino resident entered the HOR shelter program. With the support of the HOR team she successfully secured safe and permanent housing. During the fourth quarter 3 Chino residents were provided assistance through the HOR housing services providing security deposits, furniture, and rental support. As part of our ongoing efforts to enhance efficiency and ensure compliance with multiple funding contracts, we are reconfiguring our shelter rooms to better align with contractual expectations. This strategic adjustment will streamline daily operations, optimize resource allocation, and improve our ability to meet the diverse needs of the individuals and families we serve.

2024	During the first quarter, staff conducted multiple site visits and held meetings with project stakeholders from other divisions and departments. These scoping meetings provided feedback on the mandatory elements required to comply with accessibility guidelines as well as the facilities required to optimize future programming. This information was used to prepare the RFP which currently being solicited to design firms. The Community Garden project has been canceled indefinitely, and the City is currently seeking other projects to redirect CDBG grant funds in eligible areas. Once the project has been determined, it will be presented to Council for approval.

## Appendix B Proof of Publication and Public Comments

**PUBLIC NOTICE  
CITY OF CHINO  
COMMUNITY DEVELOPMENT BLOCK  
GRANT (CDBG) CONSOLIDATED  
ANNUAL PERFORMANCE AND  
EVALUATION REPORT (CAPER)**

The public is invited to comment on the City of Chino's Consolidated Annual Performance and Evaluation Report (CAPER). The CAPER outlines the accomplishments made during the 2024-2025 Community Development Block Grant (CDBG) program year. Major subject areas in the CAPER include a narrative that discusses financial resources, the number of households and persons assisted, an assessment of annual performance, a financial summary, and the Integrated Disbursement and Information System (IDIS) reports. The CAPER assesses programs for low- and moderate-income families, social service programs, and various public improvement projects. The CAPER is available for a 15-day public review period (September 1, 2025 – September 15, 2025). A copy of the Consolidated Annual Performance and Evaluation Report (CAPER) is available for review at Chino City Hall, 13220 Central Avenue, Chino, CA, or on the City's website at

<https://www.cityofchino.org/185/Community-Development-Block-Grant>

ACCESSIBILITY TO MEETINGS AND DOCUMENTS. In compliance with the Americans with Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, and Title VI of the Civil Rights Act of 1964, the city will ensure that no person is discriminated against or denied the benefits of its services, programs, or activities. If you require public documents in an alternative format due to a disability or to be translated into another language, the city will make reasonable efforts to accommodate your request. If you require an accommodation due to a disability to attend or participate in a hearing or meeting, please contact the City Clerk's Office at least 48 hours in advance of the scheduled meeting at (909) 334-3306.

Questions may be directed to Pat Cacioppo, Management Assistant, at (909) 334-3355 or [pcacioppo@cityofchino.org](mailto:pcacioppo@cityofchino.org). Written comments concerning the CAPER will be accepted until 5:30 p.m. on September 15, 2025, at the addresses listed above.

Publish Date: August 30, 2025

**AVISO PÚBLICO  
CIUDAD DE CHINO  
SUBVENCIÓN GLOBAL PARA EL  
DESARROLLO COMUNITARIO (CDBG)  
INFORME ANUAL CONSOLIDADO DE  
DESEMPEÑO Y EVALUACIÓN (CAPER)**

Se invita al público a comentar sobre el Informe Anual Consolidado de Evaluación y Desempeño (CAPER) de la Ciudad de Chino. El CAPER describe los logros alcanzados durante el año del programa de-Subvención en Bloque para el Desarrollo Comunitario (CDBG) 2024-2025. Las principales áreas temáticas del CAPER incluyen una narrativa que analiza los recursos financieros, el número de hogares y personas asistidas, una evaluación del desempeño anual, un resumen financiero y los informes del Sistema Integrado de Información y Desembolsos (IDIS). El CAPER evalúa programas para familias de ingresos bajos y moderados, programas de servicios sociales y varios proyectos de mejora pública. El CAPER está disponible por un período de revisión pública de 15 días (1 de septiembre de 2025 - 15 de septiembre de 2025). Una copia del Informe Anual Consolidado de Desempeño y Evaluación (CAPER) está disponible para su revisión en el Ayuntamiento de Chino, 13220 Central Avenue, Chino, CA, o en el sitio web de la Ciudad en <https://www.cityofchino.org/185/Community-Development-Block-Grant>

**ACCESIBILIDAD A REUNIONES Y DOCUMENTOS.** De conformidad con la Ley de Estadounidenses con Discapacidades de 1990, la Sección 504 de la Ley de Rehabilitación de 1973 y el Título VI de la Ley de Derechos Civiles de 1964, la ciudad se asegurará de que ninguna persona sea discriminada o se le nieguen los beneficios de sus servicios, programas o actividades. Si necesita documentos públicos en un formato alternativo debido a una discapacidad o para ser traducidos a otro idioma, la ciudad hará todos los esfuerzos razonables para satisfacer su solicitud. Si necesita una adaptación debido a una discapacidad para asistir o participar en una audiencia o reunión, comuníquese con la Oficina del Secretario Municipal al menos 48 horas antes de la reunión programada al (909) 334-3306.

Las preguntas pueden dirigirse a Pat Cacioppo, Asistente de Administración, al (909) 334-3355 o [pcacioppo@cityofchino.org](mailto:pcacioppo@cityofchino.org). Se aceptarán comentarios por escrito sobre el CAPER hasta las 5:30 p.m. del 15 de septiembre de 2025 en las direcciones indicadas anteriormente.
