

RESOLUTION NO. PC2025-022

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF CHINO, CALIFORNIA, RECOMMENDING THE CHINO CITY COUNCIL ADOPT AMENDMENT TO THE ZONING MAP (PL23-0129 (ZONE CHANGE)) TO INCORPORATE TARGETED ZONING MAP AMANDMENTS PROPOSED TO BETTER ALIGN ZONING WITH AS BUILT USES AND MARKET POTENTIAL FOR THE RESPECTIVE SITES, WHICH COMPRISE A CHANGE FROM ONE EXISTING ZONING DISTRICT TO ANOTHER AND ALL AMENDMENTS ARE CONSISTENT WITH THE REQUIREMENTS OF MEASURE M, THE CITY'S RESIDENTIAL GROWTH CONTRIOL MEASURE.

WHEREAS, the City of Chino has prepared the 2045 General Plan Update (Project) to satisfy the requirements of Government Code 65300 - 65303.4; and

WHEREAS, the changes to the Zoning Map and parcels identified in Exhibit A are needed for consistency with the Project; and

WHEREAS, pursuant to Chino Municipal Code section 2.36, the Planning Commission is empowered to review and recommend to the City Council general plan amendments, specific plan amendments, zone changes, and zone ordinance amendments; and

WHEREAS, the Planning Commission of the City of Chino has completed its study of the proposed zone changes and related materials; and

WHEREAS, The proposed zone changes will not adversely affect the harmonious relationship with the adjacent neighborhoods and land uses; and

WHEREAS, all provisions of the California Government Code and Chino Municipal Code related to the proposed zone change have been complied with; and

WHEREAS, on August 20, 2025, the Planning Commission held a duly noticed public hearing for the PL23-0129 (Zone Change) in compliance with law, including compliance with the relevant provisions of the California Government Code and Chino Municipal Code, entertained the written and oral report of staff, and considered public testimony on the Project.

NOW, THEREFORE, the Planning Commission of the City of Chino, California, does hereby FIND, DETERMINE, and RESOLVE as follows:

- A. The foregoing recitals are true and correct and incorporated herein.
- B. Based on substantial evidence, both written and oral, from the public hearing, the Planning Commission makes the following findings and takes the following to the City Council on PL23-0129 (Zoning Change):

1. The proposed zone changes are consistent with the goals and policies of the General Plan, as amended. An amendment to the General Plan has been processed concurrently for the Project and the proposed zone changes are consistent with the updated General Plan Land Use Diagram for the related parcels. Furthermore, the proposed zone changes are generally located within the City's established employment districts and would support Goal LCC-6 of the updated General Plan, which seeks to strengthen Chino's established employment districts and build the local employment base; and
 2. The proposed zone changes are reasonable, beneficial, and in the interest of good zoning practice in that they are proposed to better align zoning for the subject sites with surrounding as-built uses and market potential for the respective sites. Furthermore, the proposed zone changes are consistent with the requirements of Measure M, the City's residential growth control measure; and
 3. The proposed zone change will not have a significant adverse impact on the environment that has not been analyzed as part of the City of Chino 2045 General Plan Update Environmental Impact Report that has been prepared for the Project. Pursuant to Section 15162 of the CEQA Guidelines, staff has determined that this Project is within the scope of the EIR, and there are no changes to the Project from what was described and analyzed in the EIR; and
 4. In the case of a zone change to a specific property, the changes will not adversely affect the harmonious relationship with adjacent parcels and land uses in that they are proposed to better align zoning for the subject sites with surrounding as-built uses and market potential for the respective sites; and
 5. In the case of a zone change to a specific property, the subject sites have physical characteristics that are suitable, including, but not limited to parcel size, shape, access, availability of utilities and compatibility with adjoining land uses for the proposed zoning designation and anticipated development in that they are located on infill sites that generally contain comparable existing development today.
- C. *CEQA Findings.* The City of Chino 2045 General Plan Update Environmental Impact Report (SCH No. 2024090833) has been prepared for the Project. Pursuant to Section 15162 of the CEQA Guidelines, staff has determined that this Project is within the scope of the EIR, and there are no changes to the Project from what was described and analyzed in the EIR. The proposed zone changes are consistent with the Project described in the EIR, and all mitigation measures from the EIR are incorporated as conditions of approval for the Project.

- D. *Recommendation of Approval of PL23-0129 (Zone Change)*. The Planning Commission hereby recommends the City Council approve PL23-0129 (Zone Change).

PASSED, APPROVED AND ADOPTED THIS 20TH DAY OF AUGUST 2025.

PLANNING COMMISSION CHAIRPERSON

ATTEST:

SECRETARY, PLANNING COMMISSION

State of California)
County of San Bernardino) §
City of Chino)

I hereby certify the foregoing Resolution was duly adopted by the Chino Planning Commission at a meeting held on the 20th day of August 2025 and entered in the minutes of said Commission.
